A compact, high-performance laser printer with built-in gigabit networking and management tools.

Increase productivity for up to eight users with quick and reliable gigabit networking, fast print speeds, simplified management and advanced security features.

IMAGE NOT AVAILABLE

Give your workgroup the power to get more done. This compact laser printer packs fast print and processing speeds, and built-in high-speed connectivity, with automatic two-sided printing and optional high-volume paper tray. [↓](#)

This laser printer is designed to be easy from setup to management. Features like the all-in-one print cartridge, LCD control panel, built-in gigabit networking and printer management software make this one productive machine for a fleet of users.

Save valuable desktop space without compromising quality. Get professional-looking documents with crisp text and sharp images using Original HP Print Cartridges specially designed for this compact printer.
