

HP Officejet Pro L7580 All-in-One

Printer, Fax, Scanner, Copier

High volume, fast,
low cost laser-quality printing
& All-in-One productivity

High speed, high volume laser-quality printing at an amazing low cost.

Get more than just fast print, fax, scan and copy capabilities. The high-performance HP Officejet Pro L7580 All-in-One comes with built-in networking and produces laser-quality printing at a lower cost than multifunction lasers¹.

Professional quality, low cost

- Spend less for business colour**
 Create colour presentation materials, brochures, graphics, and colour text for up to 30% lower colour cost-per-page than multifunction colour lasers and up to 25% lower black-and-white cost-per-page than multifunction mono lasers.¹
- Save ink and money**
 HP ink cartridges are designed for efficient ink usage. Print up to 2450 black or up to 1700 colour pages.² To enjoy greater savings, select low cost, high capacity HP Vivera ink cartridges for your high volume print jobs.

Print like a laser, only faster

- Produce professional quality with remarkable speed**
 With HP Scalable Printing Technology that incorporates new print heads, create laser-quality documents at Laser Quality Speed of up to 10 ppm colour and up to 12 ppm black-and-white text.³ Plus, enjoy inkjet draft mode print speeds of up to 35 ppm black and up to 34 ppm colour.
- Using HP Vivera inks, you can get exceptional text, graphics and print true to life photos, up to A4 borderless.

Unsurpassed productivity

- Share it**
 Improve productivity and convenience for everyone in the office by sharing your HP Officejet Pro L7580 All-in-One with multiple PCs, thanks to built-in wired networking. The printer's remote management software simplifies printer configuration and lets you easily manage a networked printer from any standard Web browser.

¹ Cost-per-page (CPP) laser supplies comparisons are based on published manufacturer specifications of the highest-capacity cartridges available for colour laser multifunction printers under USD \$1000 and mono laser multifunction printers under USD \$500 as reported by Current Analysis, Inc., as of July, 2006. HP Officejet Pro L7580 All-in-One CPP is based on the estimated street price and published yield of HP 88 XL ink cartridges (not included; please purchase separately). Results may vary.

² Estimated pages based on HP 88 XL black and colour cartridges from preliminary testing, as of October, 2006. High-capacity cartridges not included, please purchase separately. For more information, go to hp.com/go/pageyield. Actual results may vary.

³ Compared to most colour laser multifunction printers under USD \$1000. Laser Quality Speed is an HP measurement method representing the print speed of typical office documents in default mode, compared to published speeds by laser manufacturers as of July, 2006.

The HP Officejet Pro Printer series delivers low cost-per-page, laser-quality colour and mono printing, at breakthrough speeds.

• Boost productivity

Add value and work more efficiently with enhanced faxing, two-sided printing, scanning, and copying, and a 50-sheet duplexing Automatic Document Feeder. With the optional 350-sheet paper tray for a total input capacity of 600 sheets, you spend less time reloading paper.

• Preserve and protect important documents and photos

Enjoy outstanding scanning with up to 2400 dpi CCD optical resolution for your documents, projects and more. Scan them into digital files you can store, reprint, and share. For maximum flexibility in sharing, scan your documents and photos directly to memory cards and USB storage devices as a JPG or a PDF.

• Manage documents through network

With the ability to scan to network PCs, you could now manage and route your document quickly and easily. Simply scan documents to a network PC from your control panel. Convert your paper-based documents to digital format and become more productive.

• Gain peace of mind

You'll work with confidence knowing your HP Officejet Pro L7580 All-in-One is designed to handle the heaviest workloads with a 7500 pages-per-month duty cycle and built-in HP quality.

• Enhanced faxing

With memory for up to 125 pages, you will never miss a fax. Plus, a junk fax barrier⁴ helps to block unwanted faxes.
