

Print vivid colours and get fade-resistant faxes

HP Officejet J3608 All-in-One

Fax, copy, scan and print —in full colour

Don't settle for a standalone fax machine. Stay productive with full colour fax features together with built-in phone, print, copy and scan functions, all in a single device.

Enjoy fast print and copy speeds of up to 20 ppm black and 14 ppm colour and full colour, high-quality scans of up to 1200-dpi, 48-bit colour.

For added convenience, the built-in 20-page automatic document feeder allows unattended printing, copying and faxing of multiple-page documents.

Rely on advanced fax features

Easily manage your fax communications with convenient and easy to use fax features.

Send and receive documents at speeds of up to 3 sec/page and 300-dpi resolution. Plus, prevent missed or lost faxes and handle large volume with a 200-page memory function¹.

What's more, with the convenience of one-touch dialing buttons with 100 speed dials in memory, you can fax to frequently dialled numbers efficiently.

Get documents and faxes you can archive

Faded faxes are now a thing of the past with the new HP Officejet J3608 All-in-One.

With Original HP ink and paper, you can print and archive laser-quality text and faxes that will retain their black text and colour quality for decades without fading.²

Protecting all your important documents and faxes has just got easier.

Versatile All-in-One

Print

Copy

Fax

Scan

Send and receive faxes at 3 sec/page

Laser-quality documents with HP Original Supplies

¹ Based on ITU-T Test Image #1 at standard resolution. More complicated pages or higher resolution may reduce number of pages stored in memory.

² Based on paper industry predictions for acid-free papers; colourant stability data at room temperature based on similar systems tested as per ISO 11798 and ISO 18909.

HP Officejet J3608 All-in-One
