Simplify life with this all-in-one that can tackle it all—from faxes to lab-quality photo printing.

This versatile all-in-one with fax makes tasks easier by giving you more of the features you need, including an automatic document feeder. It also has clever features like CD/DVD printing and document templates to help organize activities in your life.

Print from virtually anywhere in your small office—even from your cell phone or PDA—with full connectivity options for wireless and Bluetooth.¹

Rapidly print fax cover sheets, calendars, checklists and more with easy-to-use Quick Form templates.

Easily get beautiful lab-quality photos or photo reprints—with or without a PC—using this all-in-one's automated, photo-enhancing functions and media card slots.

Get all the features you need while helping reduce environmental impact. Save money, paper and energy with this Energy Star qualified all-in-one's resource-conserving print options including automatic two-sided printing and HP Smart Web Printing.

The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty

statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. HP shall not be liable for technical or editorial errors or omissions contained herein.

1. Wireless performance is dependent upon physical environment and distance from access point.
2. Exact speed varies depending on the system configuration, software application and document complexity.
3. The maximum dpi at which you can scan is limited by available computer memory, disk space and other system factors.
4. Based on ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.
